

MAGIKIST MAGIKIST

Blue and white sign base is large
23" x 35" for easy viewing.

Sign base is constructed of
velvet Lexan laminated
to 0.032" aluminum for
extra sturdiness.

Lexan protects colors from
fading or scratching.

Instruction strips are brightly
colored reverse printed on
Lexan to protect from
fading and scratching.

Instruction strips are individually
colored for each function.

Permanent adhesive on
instruction strips withstands
high humidity conditions.

Part#	Description
LBL5200	sign base only
